

## SAFETY DATA SHEET

### 1. Identification

<b>Product Name</b>	<b>Glycidyl <i>i</i>-Butyl POSS® Heterocage</b>
<b>Product Number</b>	<b>HC0409.XY (X = 1-7, Y = 7-1)</b>
<b>Synonyms</b>	NA
<b>CAS Number</b>	NA
<b>Product Use</b>	Resin, resin additive
<b>Manufacturer</b>	Hybrid Plastics, Inc. 55 Runnels Dr. Hattiesburg, MS 39401 US
<b>Telephone</b>	+1.601.544.3466
<b>Fax</b>	+1.601.545.3103
<b>Emergency Telephone</b>	US & Canada: 1.800.255.3924 International: +01.813.248.0585

### 2. Hazards Identification

#### GHS Classification

#### Physical hazards

None

#### Health hazards

Acute toxicity, oral	Classification not possible
Acute toxicity, dermal	Classification not possible
Acute toxicity, inhalation	Classification not possible
Skin corrosion/irritation	Classification not possible
Serious eye damage/irritation	Classification not possible
Sensitization, respiratory	Classification not possible
Sensitization, skin	Classification not possible
Germ cell mutagenicity	Classification not possible
Carcinogenicity	Classification not possible
Reproductive toxicity	Classification not possible

Specific target organ toxicity, single exposure	Classification not possible
Specific target organ toxicity, repeated exposure	Classification not possible
Aspiration hazard	Classification not possible

**Environmental hazards**

Hazardous to the aquatic environment, acute hazard	Classification not possible
Hazardous to the aquatic environment, long-term hazard	Classification not possible
Hazardous to the ozone layer	Classification not possible

**GHS Label Elements**

None

**Signal Word**

None

**Hazard Statement(s)**

None

NFPA rating: Health: 0 Flammability: 0 Reactivity: 1

HMIS rating: Health: 0 Flammability: 0 Physical Hazard: 1

**3. Composition/Information on Ingredients**

Chemical Identity	CAS#	EC#	Concentration
Glycidyl i-butyl, silsesquioxane	NA	NA	100 wt%

**Molecular/Chemical Formula:**  $[(C_6H_{11}O_2SiO_{1.5})_x(C_4H_{13}SiO_{1.5})_y]_z$  z=8, 10, 12**Molecular Weight:** 900 – 2500**4. First Aid Measures****Inhalation**

Remove to fresh air. If breathing becomes difficult, seek immediate medical attention.

**Skin Contact**

Wash off with soap and water.

**Eye Contact**

Flush eyes with plenty of water.

**Ingestion**

If swallowed, do not induce vomiting. Wash out mouth with water if person is conscious.

## 5. Fire Fighting Measures

### Suitable extinguishing media

Use water spray, carbon dioxide, dry chemical powder or appropriate foam.

### Special protective equipment and precaution for fire fighters

Fire fighters exposed to vapors should wear a self-contained breathing apparatus and full protective clothing to prevent contact with skin and eyes.

### Unusual Fire and Explosion Hazards

None

### Combustion Products

Irritating or toxic substances may be emitted upon thermal decomposition. Thermal decomposition products may include oxides of carbon and silicon.

## 6. Accidental Release Measures

### Personal precautions

Exercise appropriate precautions to minimize direct contact with skin or eyes.

### Environmental precautions

Do not let product enter drains.

### Methods for cleaning up

Use suitable absorbent, sweep up, place in bag and hold for disposal. Ventilate area and wash spill site after material pick up is complete.

## 7. Handling and Storage

### Handling precaution

Handle in a fume hood or in properly ventilated area. Avoid contact with eyes, skin, and clothing. Avoid prolonged or repeated exposure.

### Storage precaution

Store in a cool, dry place in tightly closed containers.

## 8. Exposure Controls/Personal Protection

Contains no substances with occupational exposure limit values.

### Respiratory protection

Avoid breathing vapors. Use a respirator and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

### Hand protection

Wear protective gloves. Wash thoroughly after handling.

**Eye protection**

Wear chemical safety goggles or a face shield

**Skin and body protection**

Choose body protection in relation to its type, to the concentration and amount of dangerous substances, and to the specific workplace. The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.

**Hygiene measures**

Use common industrial hygiene practices.

## 9. Physical and Chemical Properties

Appearance	Clear, Colorless, Low Viscosity Oil
Odor	No appreciable odor
Odor threshold	No data available
pH	No data available
Melting/freezing point	No data available
Initial boiling point and range	No data available
Flash point	No data available
Evaporation rate	No data available
Flammability	No data available
Upper/lower flammability explosive limits	No data available
Vapor pressure	No data available
Vapor density	No data available
Relative density	No data available
Solubility(ies)	No data available
Partition coefficient (n-octanol/water)	No data available
Autoignition temperature	No data available
Decomposition temperature	No data available
Viscosity	No data available

## 10. Stability and Reactivity

**Chemical stability**

Stable under recommended storage conditions

**Incompatible materials**

Strong oxidizing agents, strong bases

**Conditions/materials to avoid**

Exposure to strong bases, heat, flames and sparks

**Hazardous decomposition products**

Irritating or toxic substances may be emitted upon thermal decomposition, Thermal decomposition product may include Carbon dioxide, Carbon monoxide, Silicon Oxides.

## 11. Toxicological Information

### Acute toxicity

No data available

### Skin corrosion/irritation

No data available

### Serious eye damage/eye irritation

No data available

### Respiratory or skin sensitization

No data available

### Germ cell mutagenicity

No data available

### Carcinogenicity

No data available

### Reproductive toxicity

No data available

### Specific target organ toxicity – single exposure

No data available

### Specific target organ toxicity – repeated exposure

No data available

### Aspiration hazard

No data available

### Potential health effects

#### Inhalation

May be harmful if inhaled. May cause respiratory tract irritation.

#### Ingestion

May be harmful if swallowed.

#### Skin

May be harmful if absorbed through skin. May cause skin irritation.

#### Eyes

May cause eye irritation.

### Additional Information

To the best of our knowledge the toxicological properties have not been thoroughly investigated.

## 12. Ecological Information

### Toxicity

No data available

### Persistence and degradability

No data available

**Bioaccumulative potential**

No data available

**Mobility in soil**

No data available

**PBT and vPvB assessment**

No data available

**Other adverse effects**

No data available

**13. Disposal Considerations****Product**

Contact a licensed waste disposal service to dispose of this material.

**Contaminated packaging**

Dispose of as unused product.

**14. Transport Information****Classification for road and rail transport (ADR/RID)**

Not dangerous goods

**Classification for sea transport (IMO-IMDG)**

Not dangerous goods

**Classification for air transport (IATA/ICAO)**

Not dangerous goods

**15. Regulatory Information****U.S. Federal Regulations:  
TSCA:**This product is not currently regulated by SARA/EPCRA  
No. R&D Use Only**16. Other Information****Date prepared:** 4.28.2023**Reviewed by:** Director of Commercial Products

The information and recommendations contained in this Safety Data Sheet are from sources believed to be reliable and to represent the most reasonable current opinion on the subject when the SDS was prepared. While the above information is believed to be accurate, no warranty, guaranty, or representation is made as to the correctness or sufficiency of the information and the information is intended only as a guide. Hybrid Plastics shall not be held liable for any damage resulting from handling or from contact with this product. The user of this product must decide what safety measures are necessary to safely use this product, either alone or in combination with other products, and determine environmental regulatory compliance obligations under any applicable laws.
